

# 2015 PARENTS INFORMATION PACKET

The City of Tavares Babe Ruth Program is committed to providing a positive youth sports experience for all participants and their families, coaches, officials and spectators. The program is designed with guiding principles not of exceptional athletic skill and winning games; but rather of **Integrity, Teamwork, Discipline and Sportsmanship**. All program members will provide and support sound leadership and respect to encourage and exemplify these principles for our youth and for our community.

We are pleased that you and your family have decided to participate in our baseball and/or softball program! Enclosed in this Parent Packet, you will find detailed information on the program as well as ways to help make the most of this season.

Please read all of the information in this packet, and share with any other adults that will have any role of your child's participation in this program.

Thank you and have a great season!

## Helpful Hints...

Your \$75 registration fee covers the cost of the player's shirt, hat, insurance, and helps to cover the cost of umpires, game balls, equipment, field maintenance, charters, etc.

You are responsible for providing pants/shorts, belt, and proper shoes for your child. The coaches will inform you of what color pants to buy during the first team meeting. Please wait until the after the meeting to purchase any apparel. The City of Tavares will supply equipment (i.e. bats, helmets, gloves) to the volunteer coaches, but you are welcome to purchase your own equipment for your child.

**RAINOUTS:** If a game is cancelled, the Recreation Department notifies all the head coaches right away so they can contact you. In many instances, no determination can be made until game time, so we ask your patience and understanding until a decision can be made.

The City of Tavares will attempt to make-up games that were rained out, but please note that sometimes schedules will not permit such make-up dates. We apologize for any inconvenience, and thank you for your cooperation.

There may come a time when you disagree with your child's coach or the umpire for the game. If this does happen, please address the coach before or after practice or a game, and never in front of the children. If the issue cannot be resolved, you may proceed to contact the Recreation Department, but only after you have talked with the coach yourself.

The purpose of the Babe Ruth program is to allow every child the opportunity to play the great game of baseball/softball. The requirement for your child to play in each game is 2 innings in the field and 1 at bat. If the coach, for some reason, does not meet this requirement, your child should start the next game. Keep in mind that your child must attend practices and display good sportsmanship to be included in game days.

A copy of our City Rules and Regulations are included in this parent packet for your review.

The Tavares Parks & Recreation Department is open Monday—Friday from 8:00am to 5:00pm. Please be aware that we may not be in the office during these times, so please call ahead to let us know you will be visiting.

**Our department phone numbers are:**

Scott Aldrich—Community Services Project Manager (352) 742-6477

Carl Simple—Athletic Assistant (352) 742-6181

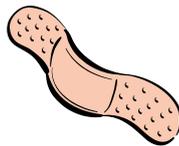

## Helpful Hints...

**Team Pictures:** On March 7th the league will offer team and individual pictures through Fred Rahming Photography. Your team will be assigned a time slot for their pictures either before our opening ceremonies or after, depending upon your game schedule. Parents are asked to please be on time and ready for your child's team picture as we will have a very compressed schedule. Once all team pictures are taken, FR Photography will offer individual pictures for your child and/or friends. A variety of options will be available for purchase.

**Insurance:** The Tavares Babe Ruth League offers individual insurance to all its registered participants during our official season through **K&K Insurance**. The coverage is able to act as the child's primary insurance and comes with a \$100 deductible per accident. Claim forms are available at the Recreation Department and are to be filed as soon as possible after the injury occurs. For more information or to report an injury, please contact Carl Simple at 352-742-6181.

**Team Sponsorships:** The City of Tavares is proud to offer our local businesses the opportunity to sponsor one of our Babe Ruth teams. For a one-time donation of \$325 to the city, your business name will be printed on the back of each team uniform for the duration of the season. Also, your business will be recognized at both our Opening Day Ceremony and our end-of-season Spring Fling Fun Day.

For more information and availability, please see a city representative.

**All-Star Program:** All-Star tournaments are a separate program following the regular season for both baseball and softball participants ages 7 and up. The names of potential all-star players are submitted by their coaches for consideration. The head coaches in each division then vote on the tournament players for their division based upon these nominations.

Participation in the all-star program is voluntary, and requires an additional financial and time commitment. Parents/guardians of all-star players are expected to help pay for additional uniforms and may incur extra travel expenses, tournament fees and other associated costs. Depending upon how far a team advances in the tournament cycle, an all-star player could be playing ball for most of the summer. If you have vacation travel plans that would interfere with the all-star schedule or have other reasons for not wanting your child to be considered for the all-star program, please let your head coach or a city representative know before the end of the regular season.

## Things You Should Know...

The Babe Ruth League is a national organization that serves over 1 million players from ages 4-18 in Babe Ruth Baseball, Cal Ripken Baseball, and Babe Ruth Softball. It is played in more than 6 countries and all 50 U.S. states. Babe Ruth League, Inc.'s approved accident insurance is PRIMARY COVERAGE—not secondary for every child participating in its programs. These insurance programs cover leagues and teams for up to 12 months allowing local leagues to run programs year round.

The **Tavares Babe Ruth League** is our local chapter, incorporated into the national organization. Our league is an annual dues-paying member, managed and directed by the City of Tavares Recreation Department. The City offers both baseball and softball programs in the spring and the fall for our community. Each season (two per year), the recreation office runs background checks, and certifies all volunteer coaches are both safe and qualified to coach in our league.

During our spring program, we host both an Opening Day Ceremony, in which each team is recognized and honored, and a final Spring Fling Fun Day. During our Opening Day activities, complimentary games, face painting and other activities are spread throughout the day. Each team plays an official, inaugural game to kickoff the season. At our end-of-season Spring Fling Fun Day, all teams are presented with a trophy and invited to participate in a number of fun, crazy games to close out the season.

### What to Expect...

# PARENTS PAGE

## **TEN COMMANDMENTS OF SPORTS FOR PARENTS:**

1. Thou shall be sure that your child know that – win or lose, scared or heroic, you love him/her, appreciate their efforts, and that you are not disappointed in him/her.
2. Thou shall try your best to be completely honest about your child's athletic capability, his/her competitive attitude, his/her sportsmanship, and his/her actual skill level.
3. Thou shall be helpful – but don't coach him/her on the way to the field – or on the way back home.
4. Thou shall teach your child to enjoy competition for competition's sake, remembering that there are lessons to be learned in winning as well as losing.
5. Harken 'O Parents: Try not to relive your athletic life through your child – or try to create an athletic career to replace the one that you never had.
6. Thou shall not compete with the coach – remember, in many cases, the coach becomes a hero to the athletes....a person who can do no wrong.
7. Thou shall not compare the skill, courage or attitudes of your child with that of other members of the team.
8. Thou shall get to know the coach so that you can be sure that his/her philosophy, attitudes, ethics, and knowledge are such that you are happy to expose to your child.
9. Always remember that children tend to exaggerate, both when praised and when criticized. Temper your reactions when they bring home tales of woe, or tales of heroics.
10. Thou shall make a point of understanding courage and the fact that it is relative. Some of us climb mountains but fear flight – some of us will want to fight but turn to jelly if a spider crawls nearby. A child must learn: courage is not absence of fear, but rather doing something in spite of fear.

## **HONORING THE GAME:**

“Honoring the Game” gets to the ROOTS of positive play, where ROOTS stands for:

- RULES: We don't bend the rules to win
- OPPONENTS: A worthy opponent is a gift that forces us to play to our highest potential
- OFFICIALS: We treat officials with respect even when we disagree
- TEAMMATES: We never do anything that would embarrass our team on or off the field
- SELF: We live up to our own standards regardless of what others do

## **Here's how you can help:**

1. Let your child know that you want him/her to “Honor the Game”. Discuss the meaning of each element of ROOTS with your athletes
2. Be a good role model. “Honor the Game” when you attend games. Cheer both teams when good plays are made. If, in your opinion, an officiating mistake is made, be silent! Use this as an opportunity to think about how difficult it is to officiate a game perfectly
3. Encourage other parents to “Honor the Game”
4. Encourage your child to play hard, play fair and have fun

# CODES OF CONDUCT

The City of Tavares Recreation Department endeavors to promote programs, events and activities, within the Community Services Division, which foster, promote, and emphasize a positive, safe and rewarding environment for the youth of our community. In support of this initiative, the Recreation Department has adopted a policy on Codes of Conduct for all those attending, or participating in, City of Tavares Recreation programs or using their facilities. This policy sets minimum standards and expectations for the conduct of everyone. Everyone includes, but is not limited to, participants, coaches, all officials, administrators, spectators, attendees, parents, teachers, guardians, etc.

## **Policy on Codes of Conduct**

When using facilities for, or participating in, youth programs and activities, managed or allowed by the City of Tavares, everyone is responsible for:

- o Conducting themselves in a proper and socially acceptable manner
- o Exhibiting behavior that supports the health, safety and well-being of others
- o Providing a tobacco, alcohol, and drug free environment
- o Refraining from the use of profanity or offensive language and ethnic slurs
- o Abiding by all laws, rules, regulations and ordinances whether city, state or local
- o Abstaining from any type of conduct intended to humiliate or intimidate others

## **Expectations of Spectators**

Cheering in a positive fashion, for both sides, is highly encouraged. Cheer for a good effort as much as a good performance. Always behave in a responsible manner and exercise self-discipline. Make only positive comments about children – yours or others. Always show respect for all involved in the game including coaches, players, opponents, opposing fans and officials. Our programs are recreational leagues with fun as the primary emphasis. All coaches are volunteers, and we should all appreciate their efforts and support them...thus setting a good example for the children.

## **Failure to Comply**

The implementation, distribution, monitoring and enforcement of the city's "Codes of Conduct" as outlined above is the responsibility of the Tavares Recreation Department, its officials and volunteer representatives. ANYONE who does not behave appropriately (as described above) will be asked to leave, according to the following steps:

1. An official/umpire, coach, or a Tavares Recreation Department representative will identify the violator(s) and make note of the situation. A verbal warning may be given as an attempt to correct the situation.
2. If the situation continues, the officials/umpires, coaches and/or a Tavares Recreation Department representative will collaborate on the situation.
3. If the decision is made for the violator(s) to leave the premises, play will not resume until he/she has left the facility.
4. If he/she refuses to leave the premises, his/her team will forfeit and the game will be over.
5. Further action, up to and including suspension from attending program functions and games, could occur for the violator(s).
